container type, by variety and by district or origin, which the shipper packed during the preceding day.

(b) *Recapitulation of shipments.* Each shipper of peaches shall furnish to the manager of the Control Committee not later than November 15 of each year a recapitulation of shipments of each variety shipped during the just-completed season. The recapitulation shall show: The name of the shipper, the shipping point, the district of origin, the variety, and the number of packages, by size, for each container type.

(c) *Destination report.* Each shipper who ships peaches shall furnish to the manager of the Control Committee a report of the number of packages of peaches shipped to each destination, and whether the peaches shipped were yellow-fleshed or white-fleshed, and whether the peaches were "CA Utility" quality. The destination is defined as peach shipments to any domestic or international market. Destination information for domestic market shipments shall include the city and state, and zip code, if known. Destination information for international market shipments shall include the country to which shipped. This report shall be submitted by the fifteenth of each month following the month in which peach shipments were made.
